Evidence for a role of the regulator of G-protein signaling protein CPRGS-1 in Galpha subunit CPG-1-mediated regulation of fungal virulence, conidiation, and hydrophobin synthesis in the chestnut blight fungus *Cryphonectria parasitica*.

Title	Evidence for a role of the regulator of G-protein signaling protein C
Publication Type	Journal Article
Year of Publication	2004
Authors	Segers, GC, Regier, JC, Nuss, DL
Journal	Eukaryot Cell
Volume	3
Issue	6
Pagination	1454-63
Date Published	2004 Dec
ISSN	1535-9778
Keywords	Amino Acid Sequence, Blotting, Western, Cloning, Molecular, DNA M
Abstract	We previously reported that the chestnut blight fungus Cryphonect
DOI	10.1128/EC.3.6.1454-1463.2004
Alternate Journal	Eukaryotic Cell
PubMed ID	15590820
