Comparative molecular model building of two serine proteinases from cytotoxic T lymphocytes.

Title: Comparative molecular model building of two serine proteinases from cytotoxic T lymphocytes.

Publication Type: Journal Article

Year of Publication: 1988

Authors: Murphy, ME, Moult, J, Bleackley, RC, Gershenfeld, H, Weissman, IL, James, MN

Journal: Proteins

Volume: 4

Issue: 3

Pagination: 190-204

Date Published: 1988

ISSN: 0887-3585

Keywords: Amino Acid Sequence, Base Sequence, Binding Sites, Clone Cells, Computer Graphics

Abstract: Two genes that are expressed when precursor cytotoxic T lymphocytes... (TRUNCATED)

DOI: 10.1002/prot.340040306

Alternate Journal: Proteins

PubMed ID: 3237717
